Extension Hill Magnetite Project Owners Engineer

Client

Asia Iron

Project Location

Midwest Region, Western Australia.

Project Capital Value

AUD \$3 Billion

Project Summary

Engenium were the Owners Engineer for the Extension Hill Magnetite Project.

Over a 12 month period Engenium completed a project execution plan, a review and update of the existing CAPEX and OPEX estimate and the scoping and planning for the Bankable Feasibility Study stage.

Engenium complimented the client's own project team, representing their best interests on the project and ensuring technical, environmental and safety compliance was maintained.
