Pardoo Direct Shipping Ore Project Management and EPCM Consultant

Client

Atlas Iron

Project Location

75km East of Port Hedland, Western Australia

Project Capital Value

≈ AU\$11 Million

Project Summary

Engenium was engaged by Atlas Iron to assist with the Business Case and the delivering of the works associated with a new Direct Shipping Ore operation in the Pilbara.

The scope included the Project Management, Engineering, Procurement, Contract Administration and Construction Management.

Engenium undertook all aspects of the project including research and preparation on a variety of local government, engineering, design and management issues.

In addition Engenium assisted with the approval processes with the relevant authorities.
