

Oakajee Industrial Estate Master Plan

Client

Development WA (previously Landcorp)

Project Location

Mid-West Region, Western Australia

Project Capital Value

AU\$250 Million

Project Summary

Engenium was engaged as a sub-consultant to APP (WA) for the development of structure master planning requirements for the proposed Oakajee Industrial Estate for Landcorp.

Engenium's responsibility involved providing technical advice in the development of the master plan for the Oakajee Industrial Estate, covering land use and infrastructure requirements for the industrial estate supporting the proposed Oakajee Port.

Engenium undertook research and preparation of an engineering report.
